HP Holdsworth Packaging Limited

Manufacturers of Bespoke Boxes & suppliers of general packaging materials from stock

* 24 HOURS DELIVERY FROM STOCK, NO MINIMUM ORDER *

We make bespoke boxes to fit your requirement. No quantity too small – we will make individual boxes, multiple boxes – in all shapes and sizes! For businesses and public.

House Moving Packages

We've supplied our customers with packaging for their house moves since we started back in 1989; from various sizes of boxes, tape, bubble to tissue paper and stretch film. To make this simple, we've now created two home moving packages; Standard HM and Premium HM. However, we can tailor packages to suit you.

Standard HM £90 inc. VAT

Our Standard HM package will get you on your way with your home packing. Suitable for a small flat, student room or bedsit. Here's what's included:
12 Mixed, Strong, Boxes Comprising:
Qty 3 – 24"x18"x18", Qty 3 – 24"x18"x9", Qty 3 – 15"x15"x15", Qty 3 – 12"x12"x12", 4 rolls of brown packing tape, 2 rolls of fragile tape, 1 tape dispenser, 100 metres small bubble wrap (600mm wide), 500 sheets of tissue paper and 1 marker pen.

Premium HM £115 inc. VAT

Our Premium HM package is suitable for a 2 or 3 bedroom house or flat. Suitable too for office removals. Here's what's included:
24 Mixed, Strong, Boxes Comprising:
Qty 6 – 24"x18"x18", Qty 6 – 24"x18"x9", Qty 6 – 15"x15"x15", Qty 6 – 12"x12"x12", 4 rolls of brown packing tape, 4 rolls of fragile tape, 1 tape dispenser, 100 metres small bubble wrap (600mm wide), 500 sheets of tissue paper and 1 marker pen.

Mondays Closed

Welcome to Dore & Totley Scout Gala 2023

I'm pleased to say that the Gala is back for 2023 and it will hopefully be better than ever! This year we're really pleased to be able to include Totley Scouts and Cubs and really look forward to having them with us on the day!

We will have all the usual food favourites on the day including the tea tent, burgers and ice cream vans. This year there will be some new additions including wood fired pizzas and a beer tent. The popular Scout-run games will be back again, along with plenty of inflatable fun, a selection of fairground rides and lots of other stalls for you to look around including our popular book and plant stalls of course!

The arena remains the centrepiece of the day, playing host to a variety of performers along with It's a Knockout and Dog of Dore. Please check out the arena events page in this programme for more information. We'll be posting updates on the Gala Website as well.

The event will be opened at 1pm with the arrival of the Scout parade and will close at 5:30pm. Please bring family, friends and join us for an afternoon of fun. And don't forget your dog – he or she could be the next Dog of Dore!

If you would like to help us set up the event, run a stall on the day or clean up afterwards then please do get in touch. You can drop me an email to doregala@icloud.com or find out how you can help via our website at www.doregala.org.

I'd like to thank all the local businesses that have already supported the Gala this year by advertising in this programme. A special thank you to ELR for kindly sponsoring the event once again. All the money we raise goes to support the Scout movement who educate and entertain more than 300 children in and around Dore village.

Here's hoping for some good weather again and I look forward to seeing you on Saturday 8th of July!

Dore Scout Group

The past year has been full of high points for 267th Dore Scouts. Eleven of our Beavers achieved their Bronze Chief Scout Award, four Cubs attained Silver and eight Scouts received their Gold Awards. We have even seen five Explorer Scouts attain their Platinum Awards, and five successfully completed their Bronze Duke of Edinburgh Awards. This year, there are nine Explorers taking on both their Bronze and Silver Awards. This is a testament to the hard work of all our young members.

Our Scouting ambitions are not solely focussed upon presenting awards: Reyna and I were delighted to oversee a new Cub Pack open this year, enabling even more young people to participate in our activities. In total we now have 156 boys and girls attending meetings every week! We also enjoyed a fabulous joint Scout and Explorer summer camp, where we joined in fun experiences from archery and sailing, to skiing and laser tag. Beavers and Cubs also held a successful joint camp at Walesby Forest where, amongst other challenges, they hurled themselves down a giant water slide and braved the 3G swing!

Of course, none of our members' achievements would be possible without the dedication of our leadership team. We have been very fortunate to have recruited several new leaders. Brian and Katharine Rice joined our Houndkirk Cub Pack; Kathy Crampin, Katie and Garth Nerven have stepped in to assist Jo Knight with the Burbage Cub Pack; Andy Karran and Richard Kirk have put their adventurous stamp on Monday's Beaver colony; whilst Chris Day and Euan Mackay have enthusiastically taken on Wednesday Beavers.

Huge thanks to all our existing leaders for their continued enthusiasm. Special mention goes out to Nicola Walters for giving up so much of her time, leading Monday Beavers, Houndkirk Cubs and sitting on our Executive Committee - we are so grateful for her support. Thanks also to our membership secretary, Andy Bush, who somehow manages to organise moves through the sections and keep our waiting list under control!

Finally, our usual invitation to anyone who would like to offer their services to come along and help lead a group, roll up their sleeves and get stuck in with the gala organisation, or who may have a profession or hobby which could be an interesting addition to our programme: do get in touch via our website www.dorescouts.co.uk

Enjoy the Gala!

Stephanie Hollis and Reyna Goodman - Assistant Group Scout Leaders

CASTLETON

COFFEE CO.

Church Lane, Dore, Sheffield, S17 3GS

Totley Scout Group

Our group has had a busy year running varied and well-balanced programmes for the young people of Totley. We are grateful to have welcomed new Cub and Scout leaders but are always keen to welcome new volunteers!

The highlight of last year was our group sleepover at The Deep. We took 125 children and 26 adults on the coach to the aquarium in Hull on a Saturday evening. The children all enjoyed an after-hours tour, some craft activities and finally fell asleep in front of the fish tanks. In the morning we enjoyed breakfast before returning to Sheffield on the coach for some well-earned sleep.

This year has seen much-needed work taking place on our Scout Hut. We've had asbestos removed and rotten timbers replaced. Our toilets have had a complete overhaul with brand new facilities being installed. There's more work to be completed including the replacement of the roof, more work on the walls and a new kitchen. All the work is paid for by fundraising and we hope to be able to continue the refurbishment soon.

Totley Explorers

Our Explorers have been busy learning lots of important scouting and life skills. Their programme has taken them out and about, taking part in hikes which end in hot dogs and hot chocolate, What-3-Word orienteering, fire lighting and cooking out on fires.

As well as spending time outdoors, they've been busy back at the hut as well. The Explorers have been taking part in some First Aid training, learning CPR and how to use a defibrillator as well as experiencing a scout skills night, showing off their various hobbies and trying their hand at a bit of Air Rifle Shooting.

As the weather warms and a new term arrives, the Explorers are planning for their next term, hoping to spend even more time outdoors. Good luck to our older Explorers on their upcoming exams!

A Message from Christ Church, Dore

The Dore Festival and Gala is a fantastic opportunity to gather as a community and celebrate our life together in this beautiful place we call home. I'm so grateful to all those who make it happen - all the hard work, dedication and care that goes into making this great community event run smoothly. Community is like that - it takes effort. It doesn't just happen; we need to work at it to enjoy its fruits.

In the last year we lost two stalwarts of the Festival and Gala - Maureen and Geoff Cope. Many of you will remember Maureen and Geoff with thankfulness for the way in which this tireless couple served our community with great commitment and care.

At Geoff's Memorial Service recently his family shared that he always encouraged them to do three things - work hard, be kind, and serve the community.

This ethos doesn't always get the plaudits, but it keeps the show on the road, helping us to live less separate and disunited lives.

So, this year we raise a special glass to Maureen and Geoff and to all those who quietly serve and knit things together. And, if you see someone putting up a gazebo or standing at a stall perhaps give them a nod of appreciation or a few words of thanks - for helping us to be a community.

Festival at its best is an opportunity to be together, to celebrate, and to give thanks - to enjoy the blessedness of unity. I wouldn't be doing my job if I didn't throw in a verse or two from the scriptures at this stage, so here goes (surely, you were expecting this, right?):

*How very good and pleasant it is
when kindred live together in unity!*
(Psalm 133:1)

We continue to hear a lot about what divides us but The Dore Festival and Gala is a chance to march to a different drum (hopefully literally thanks to the fantastic band!) and be together as a community.

Hope to see you there!

With love,

from Andy and all at Christ Church Dore

Message from 1st Blackamoor Rainbows

Since last summer the Rainbows have been keeping busy learning lots of new things and earning more badges!

We've welcomed a new bunch of girls and sent our older ones "Over the Rainbow", celebrated Halloween with a spooktakular party, climbed into a fire engine and learned all about what it takes to be a fireman, practised what to do in an emergency and how to treat injuries in completing our first aid badges, met a particularly slithery friend when the animal club came to visit and plenty more too!

We owe all this fun to our amazing volunteer team; Judy, Rona and Emma - Thank you!

Dore Beavers

Monday Beavers have enjoyed a range of exciting activities and experiences. To celebrate Burns Night, they enjoyed a traditional Scottish meal of haggis, neeps and tatties, learning about the Scottish poet and his famous works.

In their recent trip to the local fire station, the Beavers learned about fire safety and had the opportunity to explore the fire engines and equipment. This visit gave them an appreciation of the important work that firefighters do to keep their community safe.

As part of their ongoing commitment to community service, the Dore Beavers have recently been busy in the local retirement home, gardening and meeting residents. This allowed the Beavers to form intergenerational bonds with the residents and learn about their life experiences.

The Dore Beavers have had a fulfilling term exploring their community, learning about different cultures and building important life skills. We are excited for what the rest of the year has in store, and we are proud of their progress and accomplishments.

The Wednesday Beavers have had a fabulous year. It's pretty amazing to look back on all the adventures they've been on. Each Beaver, in their own unique way, has shown great emotional and physical development over the past year, which has been so rewarding to see - particularly considering all the fun we've had along the way.

Particular highlights include: bat watching (and listening) in Millhouses Park (thank you South Yorkshire Bat Group); celebrating Burns Night (it's official, Beavers love haggis and a good old Ceilidh); litter picking around Dore (big thanks Julie); and, meeting residents at MHA Fairthorn while doing a spot of gardening for them (thank you Jane). Building on the 'help in the community' theme, they also met some very important community members on a fantastic visit to Lowedges Fire Station.

Not only this, but they've also had plenty of opportunities to express their more creative side, such as working as a team to make a Remembrance Sunday wreath, making lanterns for Chinese New Year, carving pumpkins for Halloween, painting beautiful handmade bird boxes (thank you Simon!) and making pasta.

Dore Beavers

So, all in all, a wonderful year for the Wednesday Beavers. Thanks as always to the parent helpers and here's to an exciting and fun year ahead.

Brian Rice & Andy Karran

A Word from our Beavers:

Beavers is a fun club, my favourite thing is indoor games. Also, we do Beaver Camp and trips that are just daytime like when we went to the adventure place in the woods.

Freddie Goring

I started Beavers in September 2021. We have done lots of exciting activities. I liked the ice-cream on my first night. We went to the trains in the woods. I liked the Irn Bru on the Scottish night. I liked making the bird box, then when I got home I put bark on it to make it camouflaged. I think we have had a little bird go into it.

Dore's Well Dressing 2023

Mrs Betty Brown began the well dressing tradition in Dore in 1959 as a means of raising funds for the village scout troop. The design of the first picture depicted a Boy Scout; many of the following designs were of a religious theme. In more recent times the designs tend to commemorate an event or anniversary.

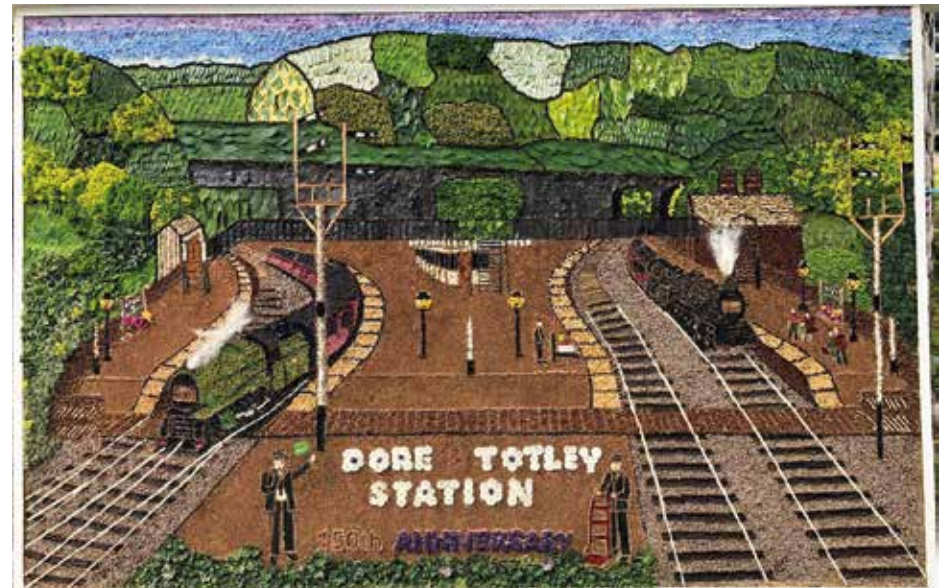

Despite the changes in design, some things do remain constant as we continue to prepare and make the tableau at the Scout Hut. We carry on raising money for a wide variety of different, often local, charities and causes. The religious aspect remains constant too with the Blessing Service on the Village Green.

Last year we came back after a three-year enforced absence, complete with renewed enthusiasm and a new board after our old one finally fell apart after 46 years. We were all a bit rusty and as usual had to overcome a few difficulties but managed to produce a picture that attracted some lovely comments.

We do need help to keep the well dressing tradition alive in the village. The picture you see on the Village Green is designed and made by the Village Well Dressing team who are always delighted to welcome any new, aspiring well dressers. Anyone can be a well dresser regardless of gender, age or experience.

Look out for the notices around the village in June for more information. We only have five days to complete the picture, this year that is from Monday 26th June until Friday 30th June, 10am - 12noon, 2pm - 5pm and 7pm - 9pm, so come along and see us at the Scout Hut. The Blessing Service will take place on Sunday 2nd July at 3pm.

215th Sheffield (1st Totley) Monday and Tuesday Beavers

Over the past year our busy Beaver Scout colonies have enjoyed a wide range of fun activities and badges, both at the scout hut and out and about. We started off our Autumn term with a visit from some of our local Police Officers. The Beavers had a great time learning about the amazing things the Police Officers get up to daily, asking questions and even getting to explore one of their Police vans.

Later in the term the Beavers earned their My Faith badge by visiting Totley All Saints church. The Vicar led the children on an immersive treasure hunt around the church to find the Beaver Leaders stolen woggle, learning lots of interesting facts along the way. We finished off our evening with some games and songs.

Last term the Beavers took part in a group sleepover at The Deep in Hull. They all had a thoroughly amazing time getting to explore the amazing exhibits after hours and sleeping around the shark tanks, watching a variety of sea creatures swim by as they fell asleep.

We cannot wait to start our Summer Term after the Easter Holidays. We have many amazing activities planned for the children including our Summer Beaver Camp at Hesley Wood.

Farewell to Geoffrey and Maureen Cope

As planning started for the Gala and Festival this year it was with great sadness that two of our long-standing members would be missing; Geoffrey and Maureen Cope. Maureen died suddenly in July 2022 and Geoff in March 2023. They had been involved in our Scout Group for 34 years.

Geoff joined our Scout Group in September 1989 as a Section Leader. Over time he became the Group Scout Leader, a member of

the Group Executive Committee and then Chairman. During this time, he also joined the Scout Gala Committee, then became Chairman.

In 2005, he led our 'Buy a Brick' community request in 2005, which brought in £14,000. This funded a huge part of the refurbishment needed to the Scout Hut. His technical skills helped create the Dore Scouts website, which proved to be a very useful organisational tool for all members and those wishing to join us.

In 2010 Geoff was given The Award and Bar of Merit by the Chief Scout in recognition of his conscientious, imaginative and dedicated service to Scouting over many years.

At the Gala in 2012 Geoff was awarded the Crowson Bowl by the Scout Group Executive and Gala Committee for contributing more than 25 years to the Gala. He made a tremendous contribution with unfailing enthusiasm, such as designing and editing the Gala magazine and putting forward a constant stream of other new initiatives. Even after he stood down as Gala Committee Chair, he continued to serve as a member for many years.

26 years ago, Maureen joined Syd Crowson and Anne Elsdon in co-ordinating Dore Festival fortnight. When Syd died, Maureen continued this work with Anne. On Anne's retirement in 2019, Maureen continued right up to the time of her death. For many years at the Gala she could be found serving tea at the tea tent and more recently heading the group of ladies on the plant stall.

Maureen supported Geoff wholeheartedly in his Scouting activities. If he was missing during the day or at a mealtime, he would often be at the Scout Hut working on a maintenance project with David Needham (Ned) alongside, preparing for a Scout Community Event, or at a Scout meeting.

We will miss Geoff and Maureen greatly, especially on Gala Day, but we are hoping to make this year as big a success as possible in tribute to them both.

Saxton Mee are proud to support Dore Gala 2023

Dore Explorers to Borneo 2024

A group of Dore Explorer Scouts are raising money to go on a trip to Borneo in the summer of 2024. As part of our trip, we will be helping with local community and environmental projects. This experience will also count towards our Gold Duke of Edinburgh Award and King's Scout Award.

How we will be helping:

We will be working hard to improve living standards for rural communities that are suffering from high levels of poverty, and where opportunities for young people are limited or non-existent. We will also be striving to play a critical role in enhancing and protecting some of the most beautiful wild spaces on the planet and the wildlife that depends on them for survival.

Why are we doing this:

This experience will help us develop important skills like leadership and teamwork, whilst benefiting other people and the environment in the process.

What we will be doing at the Gala:

Our group will help set up, run stalls, and clear up for the three days over the Gala weekend. We will also be getting involved in the planning of the Gala and we will have delivered hundreds of these magazines. You can expect to see us on the day, helping out in our Camps International T-shirts or Explorers uniform!

Dore Cubs

We are very lucky to have three Cub Packs running in Dore and this year it has been fantastic to welcome lots of girls into our packs. It really is a whole team effort to organise the very varied and exciting programme that the cubs have each term. We plan together and run the same programme, so the following short extracts are just some of the highlights from the last couple of terms. Our aim is to make the sessions fun, inclusive and give the cubs a chance to try

new things and develop new skills. We are all excited to be running a cub camp this summer in Derbyshire. Fire and den building, hikes and swimming will be amongst the activities for the action-packed weekend we have planned and are looking forward to it.

We are always looking for more support, so if you are keen to get involved, then please get in touch with reyna.goodman@yahoo.co.uk

Dore Noundkirk Cubs (Tuesday)

We have worked towards our World Challenge Award in the last couple of terms, which has meant our cubs have been experiencing different cultures, foods and religious ceremonies from across the world. A few highlights were the International food evening, where the cubs tried foods from different countries and they had to guess which country the food had come from. We were impressed at how well travelled our cubs are and how many answers they got right!

We also had the opportunity to visit the local mosque in Heeley. This was a great experience. The cubs learned about the various rituals of washing and praying and learned more in depth about the values of the Muslim community. Thank you to the whole team at the mosque who were so welcoming.

The cubs also took part in celebration activities at the hut for Diwali. They got to know more about the festival of Diwali, why it is so important to celebrate and of course there were lots of games and fun activities for the cubs to take part in.

We are blessed to have lots of volunteers who give up their time to come and help run these sessions with the cubs, and without them the programme wouldn't be as rich, so a big thank you to anyone who has helped run and support our sessions.

Dore Burbage Cubs (Thursday)

In addition to all the great activities the cubs did towards their world challenge award, we crammed even more into the Autumn term. This time of year is an important one when it comes to fire safety. We, of course, supported the massive Dore Scouts bonfire and fireworks on Parkers Lane and what an event that was, but we made sure all our cubs knew about fire safety before they attended. Cubs learned about firework and bonfire safety, putting this into practice with their own sparklers. We have also visited the local fire station and learned about the important job of a firefighter. The cubs got to try to equipment and even sound the siren on the fire engine!

We welcomed some very interesting friends into the hut one week, some of them furrer than others! Cubs learned about different animals and how to care for them. We even think our leader, Jo, enjoyed this evening with a friend she had made.

A highlight for the cubs was the bike maintenance session with Adam from Pedal. Cubs got to grips with how to find and repair a puncture – they were very handy with their puncture repair kits and could do these repairs in record time. Cubs also learned all the critical things to check on their bikes before they head out and how to be safe on their bikes, so parents and carers should have an easier time now!

The Crowson Bowl

The Crowson Bowl is awarded annually to a person who, in the Gala Committee's opinion, has made a substantial contribution to Gala over a prolonged period.

This year the award goes to David Needham (aka Ned). Ned has been heavily involved in the preparation, setup and running of the Gala for many years; organising suppliers, coordinating operations on the day and serving hundreds (thousands?!) of burgers to hungry Gala attendees. Alongside the Gala, Ned has spent many years contributing to Scouting in our part of Sheffield and his service to the 267th has been exemplary.

The Gala team would like to sincerely thank Ned for all his hard work supporting the Gala and Scouting activities in Dore. Thank you!

Dore Blackamoor Cubs (Thursday)

The Spring term has seen the Cub packs working towards their Teamwork Challenge Award. Lots of team games, including a fabulous night of basketball where they first learned the basic skills and then put these into practice on the court in their teams – move aside Stephen Curry!

The teams have also worked together on vegetable planting and creating luxurious bug hotels (there were swimming pools, saunas and restaurants being created!) and of course we finished off this term with an exciting team scavenger hunt around Dore.

No Cubs' programme would be the same each term without a night hike. We took to the rocky paths and wooded trails with head torches (accompanied by a few of the cubs' furry friends) and even managed to pick a clear night to do some star gazing and identify constellations that we had been learning about when the Wonderdome came to the hut.

And if all that wasn't enough, then we still managed to try new activities like roller skating and climbing - what impressive strength and balance our cubs have got!

The Cubs have been brilliant at trying new things, showing endless energy and enthusiasm as well as working as part of a team and demonstrating the values of Cub Scouts.

A word from our Cubs

Thursday Cubs have had a brilliant year, we have had lots of fun. I have enjoyed everything, but my favourites have been climbing at a fantastic climbing place in Sheffield, having a star dome in the hut and playing basketball. We have also done a scavenger hunt, gone roller-skating, planted flowers and made cards for St. Luke's, done a night hike and had chips at the end, went to a mosque, bowling, a games night in the hut, held lots of animals in the hut and stuff for Chinese new year, plus lots more! I have also really enjoyed it when me and a few other Cubs had the opportunity to go caving! In July all of the Cubs will go on a camp and it was so much fun last year I bet that it will be just as fun this year!

Dore Monday Scouts

Monday Scouts have had a fantastic year, with once again an exciting and varied program. Highlights included a visit to Chesterfield observatory where we saw Jupiter and its moons, the Scouts then attempted to make their own telescopes with varying success!

We also had an amazing evening at the Lock Up Escape rooms, where the Scout's teamwork and problem-solving skills were pushed to their limits; in true Scout style, they all did remarkably well and everyone escaped.

A visit from local historian Dorne Coggins proved to be a really interesting session, as she enlightened us with amazing and gruesome facts about the history of Dore and our Scout Hut.

One of our Scout leaders now has his rifle shooting permit, so we have been privileged to enjoy some rifle shooting sessions and hope to enter a team in the District competition in November.

Of course, I have to mention our Summer camp. It was the middle of July, and in true British style, it rained for most of the week. This, however, did not dampen the spirits of our resilient Scouts who had a fabulous time. Amongst other things they learned to sail and ski, canoed along a canal (well, zig zagged actually!) and had a go at dragon boating. They even pioneered their own washing line to attempt to dry their kit.

We have had three Scouts achieve their Chief Scouts Gold Award this year which is a major achievement.

None of this would be possible without the dedication of our amazing leaders, so a huge thanks to all involved.

Chris Power and Reyna Goodman (267th Monday Scouts)

A word from our Scouts

Scouts is very enjoyable because there is a wide range of activities for everyone to participate in. You get to meet new people and make new friends and go on lots of fun camps and day trips. You get to do lots of activities you would not do outside of Scouts. Our favourite things in Scouts are rifle shooting, indoor caving and go-karting.

Dore Wednesday Scouts

Our names are Harry W and Harry T-E, we joined Scouts last year and it has been a blast! Everyone has been very welcoming, and it has been great fun. Girls are included, so don't feel like you are being left out if you want to join. So far, the activities have made us laugh, tested our brains and pushed our fitness to the limits.

For my first session I cooked a delicious curry. Followed soon after by riding on my scooter and bowling at Chesterfield. My favourite activity has been going to Patriot Games, the thrill of being at a game shop is so exciting; card games and Warhammer all around me. Another session that tested my mind was an escape room (it was a science room). Hikes are a good way to get into the wild. Sewing on badges is now our responsibility; here are some of them that you can earn.

In some sessions we have been working towards badges like the creative badge where we made risotto, went on a walk and did photography in the woods. We have also received our astronomer badge - we went to Chesterfield observatory and saw Jupiter! My favourite badge was the fire safety one because we got to go to the fire station. When we go on a camp in the future, we will have the opportunity to earn more.

Overall, 267th Scouts is the highlight of our week. We have lots of great friends there and can't wait to see what we are doing next year!

Dore Scouts Charity Trail Run 2023

This year during festival season we're planning two sponsored trail runs to raise funds for the Dore Scouts. They're open to anyone aged 18 or over (plus Explorer Scouts) who would like to come along.

The goal is for participants and the Scout group to raise funds via our Gofundme page for the event. There are two events so that as many people as possible can join us and take on the challenge.

The runs will be in groups with a leader - so no danger of getting lost! And both events are group runs - not races - so we'll go at the speed of the group which is likely to include a mixture of jogging and walking.

Option 1: Run the Totley Tunnel – Saturday 1st July '23

This route is approximately 10km with 243m overall climb (or 6 miles with 800 feet climb). We will follow a linear route from Grindleford station, over the moors back to Dore & Totley Station, roughly following the route of the tunnel. We'll meet at Dore & Totley Train Station at 10am on Saturday 1st July for the 10:21 train to Grindleford.

Option 2: Run The Great Ridge - Sunday 2nd July '23

This route is the big one! We'll be taking in approximately 37km with 1.3 km overall climb (or 23 miles with 4250 feet climb)

The Great Ridge is one of the scenic areas in the Peak District. From Edale we'll run up to Mam Tor and follow the Great Ridge along until it descends into Hope. We'll then take the steep back route up to the Winn Hill summit. The route then takes us along the Derwent via Shatton and Leadmill Bridge before climbing through Grindleford to White Edge. We then descend down the Sheaf Valley to Dore & Totley Train Station. Meet at Dore & Totley Train Station at 10am on Sunday 2nd July for the 9:21 train.

For more information and to sign up, please visit doregala.run or simply scan the QR code here.

Dore Gala -Dog of Dore Competition

Always popular and lots of fun for you and your canine companion. Anyone can join in.

Prizes for:-

- ❖ Waggiest tail
- ❖ Most enthusiastic
- ❖ Best behaved and other categories once we think them up!

Gala arena, around 3:30pm. Only £2 to enter. Treats for all entrants.

Well behaved dogs welcome at the Gala all day – water provided

Dore Explorer Scouts

Another fun year for the Dore Explorers! We now have twenty members; fifteen boys and five girls, aged from 14 to 17 years.

Explorers enjoy a varied programme, incorporating physical challenges like trips to the Foundry climbing wall, caving near Matlock Bath, tackling Rother Valley's inflatable assault course, taking on the Ninja Warrior course and hurtling around the track at Parkwood Karting. All of these saw fierce competition from Explorers and leaders alike!

On other weeks, we tried out less frenetic activities, practicing circus skills, map reading, and fish filleting! One Explorer commented that the improvised kedgeree, cooked with the fish they had gutted and boned, was the best scouting food they had tried!

Euan Marsh, Sam Williams, Jonah Reynolds, Alex Donnelly, and Emilia Hollis all gained their Bronze Duke of Edinburgh awards, with Jonah, Alex, Emilia, and Arai Karanjkar attaining their Platinum Chief Scout Award. Congratulations to them all! Ten of our group are seeking to achieve their Diamond or Platinum awards this year.

One bonus of our Explorers completing their D of E awards is the number volunteering as Young Leaders in other sections. I have been so impressed with their enthusiasm in taking on this role, several staying on after their required hours are completed. Special recognition goes to Euan Marsh, who has completed two years with Wednesday Beavers, the feedback being that Euan consistently goes beyond what leaders ask of him.

We are looking forward to our summer camp at Great Tower, in the Lakes, with hiking, paddle boarding, tomahawk throwing and raft building and some traditional campfire shenanigans to look forward to.

Finally, enormous thanks to my co-leaders, Tessa Hore, Dave Powell and Matt Naylor, without whom the unit could not function as well as it does.

Stephanie Hollis

Dore Scout Band

It all began in September 2022 when we had the news that the pipe band that regularly attended the Dore Remembrance Parade could no longer support us. I'm sure you'll agree; it just wouldn't feel right marching without a band! Then my son had a brainwave and suggested we start a Scout band. So, to combine our two passions, Scouting and music, we did just that!

We started with just five drummers, four of whom had never played drums before, and one clarinet player. With just two months to practice, we successfully led the Remembrance Parade in November.

We now have a thriving Scout band which comprises a mixture of Beavers, Cubs and Scouts; we are a traditional marching band for the Remembrance parade, but we will transform into a lively Brazilian Samba band for the Gala parade. So please come and hear us play on Saturday 8th July, we will be parading from the Meadway to the Rec at 12:30pm, then performing a short set in the area at 1:15pm.

Totle Wednesday and Thursday Cubs

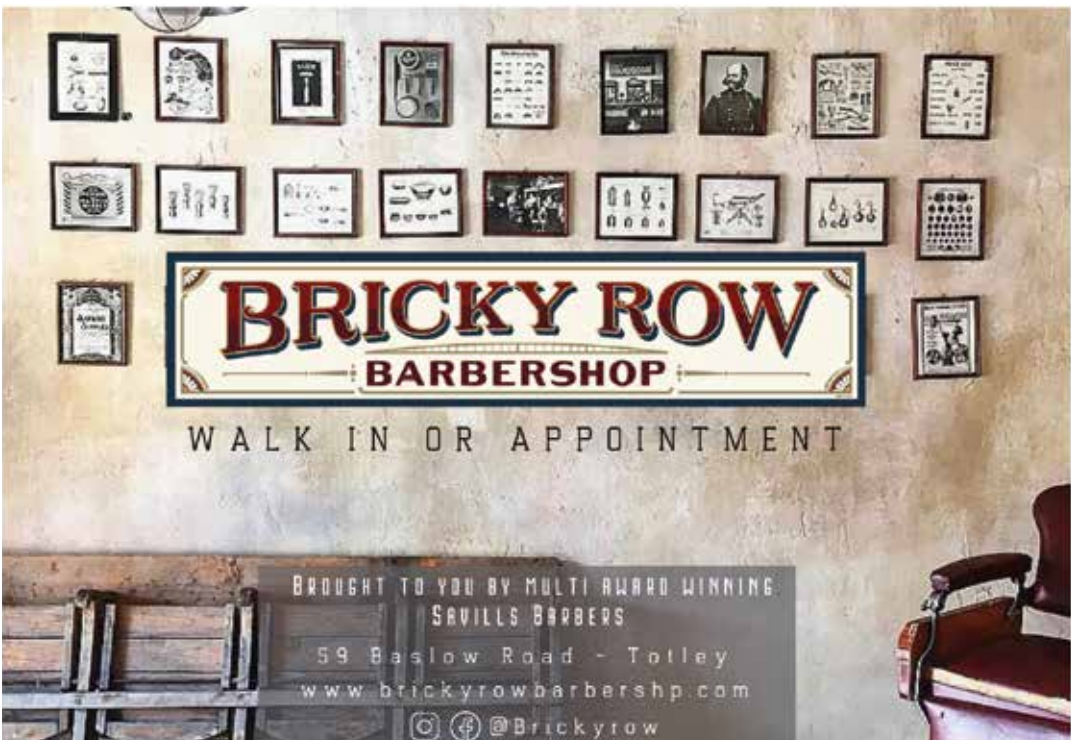

We started off our Autumn Term in the best way, with our summer camp. The Cubs stayed for two nights out at Linnet Clough Scout Campsite, taking part in a wide variety of activities from grass sledging to shelter building, to making dampers over a campfire.

The Cubs tried their hand at the Artist badge, experimenting with some Stop Motion animation. They worked together to plan and shoot their own stop motion films, creating backdrops, Lego models and props. We ended up with some amazing short films, all made entirely by the Cubs.

This past term the Cubs got to participate in their own Cubs Got Talent Night. The young people showed off some of their amazing talents. We saw dance routines, magic tricks, balloon animals, musical instruments and much more.

We enjoyed an amazing group trip to the Deep in Hull this last term. The Cubs got the chance to wander around the amazing aquarium at night after the members of the public had all gone home, and even got the chance to sleep in front of the shark tanks.

We're now looking forward to the new term and our Summer Camp at Hesley Wood Scout Campsite.

Totley Scouts

Scouts have been busy over the last year with a full weekly programme of activities working towards various badges, and always including plenty of fun.

We had a camp at Spitewinter in the Derbyshire Dales, honing up on camping skills after a two-year layoff. During the camp and the last term, the scouts have:

- Made clay pots which were hardened by a fire
- Made and cooked pizzas
- Had a STEM evening designing and creating new inventions
- Enjoyed camp fires
- Cooked over a stove as well as on campfires
- Practiced their navigation
- Tried their hand at archery and rifle shooting
- Learned emergency first aid including the use of defibrillator
- Developed essential life skills - sewing, painting walls, puncture repair, woodworking.

Coming up in the near future is a camp at Drum Hill near Derby, where we will be trying out abseiling, tomahawk throwing and survival projects.

A Message from Dore Village Society

It's Dore Festival and Gala time again, these things come around so quickly!

Through the last 12 months, your Village Society has been busy planning and putting on events for the community:

Last month we hosted a Coronation tea party for one hundred children from Dore Primary School who were entertained, fed and each received a coronation memento. It was a beautiful spring day and many of the parents who attended have now become members of the Society.

We also hosted other community events such as the Lantern Parade at Christmas and the Party on the Green in the summer - the team is always busy with the next project!

We always like to meet people who live in the village and tell them about what we do and why we are here. All of our work relies upon your support and membership, so if you have enjoyed any of the above and are not a member of the Society, please consider it. It's just £7 for the year.

Your membership helps to fund donations to a variety of local charities and other organisations. Recently we have funded a timeline in the playground of Dore Primary School, provided Christmas lunches through four different luncheon clubs, helped to fund the Recreation Ground playground restoration and provided the Christmas trees and lights around the village centre, to mention just a few.

Membership information can be found on our website dorevillage.co.uk and you can sign up online too.

There are also two spaces on the committee for some new blood: If you're the sort of person who would like to give back to your community then the DVS is a great platform to do this. Please email jen.donnelly@dorevillage.co.uk for more information about what being a committee member involves.

I hope you have a great Festival, Gala, and, indeed, Summer! I'm sure you'll spot me at a few of the events.
